

# ***The Chicago Edition***

February 2026

Volume 102, Edition 5

**Saturday, February 21, 2026**

**1:00pm in person and via zoom**

**Senate Forum at Operation Push**

**930 E 50th St, Chicago, IL 60615**

**Street parking or public transportation**

The Promote the Vote Alliance is a growing coalition of non-profit organizations working to protect the vote, amplify the importance of voting, and explore ongoing issues that impact women and families. Simone Alicea, Executive Producer of City Cast Chicago, will moderate the panel discussion among the candidates.

Primaries tend to have low voting turn out, and we want to change that. We want voters to understand how important our Senate election is in Illinois and to be fully informed about each candidate's positions on these issues so that they can follow through at the ballot box to vote!

The PTV Alliance is inviting all primary candidates running for Senator Durbin's senate seat to

participate in the Senate Forum, regardless of their party affiliation. The Forum provides a unique opportunity for candidates to inform us about how they will address the issues that are of concern to women and families, including safety and well-being, housing, healthcare, employment, education, civil rights, and more.

This nonpartisan event will be hybrid, and you can watch it live on YouTube or attend in person.

We are very excited to hold this Forum sponsored by the following organizations: *AAUW, Chicago Votes, Chicago Urban League, Chicago Women Take Action, Courts Matter Illinois, Illinois NOW, JCUA, NCJW Chicago North Shore, NCJW South Cook, Rainbow PUSH, Reform for Illinois, SEIU Illinois, Women Employed, and Working Women's History Project.*
